PAULINA MOLINA

Paulina started her legal career in 2022 at another well-known Guatemalan law firm. She joined Mayora IP as a paralegal in 2023, before being promoted to junior associate upon graduating from law school in 2024. She has learnt the firm's IP practice from the ground up and has additional knowledge of corporate law matters gained both from professional experience as well as through postgraduate studies undertaken abroad in Spain.

Paulina is an integral part of Mayora IP's fully integrated practice-wide trademark team spanning all three of its offices, providing support to brand owners all the way from clearance through to protection and maintenance, both nationally and internationally. She is renowned for her ability to anticipate contingencies and provide multiple commercially focused strategies for protecting clients' highly valuable intangible assets.
